**COMPETITIVE SMALL RESEARCH GRANTS
RECOMMENDATION LETTER**

To the student: In order for a faculty member to successfully complete this form and provide a recommendation letter, you must begin discussing your interests, career goals, and research strategy with him/her prior to securing a research grant. The student should choose a senior member of the applicant's academic department to provide this information, accompanied with a recommendation letter.

To the faculty member: Please complete this form only if you feel you have a strong sense of this student's interests, career goals, and how this research grant will support the student's aspirations. In addition, please include a recommendation letter of support with this signed form.

Student Name: _____

Faculty Member Name: _____

Department: _____

E-mail: _____ Phone: _____
